

November 3, 2010

It gives me great pleasure to extend greetings to The Russian Canadian Cultural Aid Society (RCCAS) and all those who are attending the Russian Gala Ball.

Recently the Canadian Ethnocultural Council celebrated its 30th anniversary where it recognized the importance of contributions made by ethnocultural community organizations to Canada. Accepting our respective cultures and respecting our diversity in a spirit of unity is the goal of our Council. It is with this spirit of collaboration that we support the mission of the Russian Canadian Cultural Aid Society and look forward to future collaboration.

The RCASS is to be commended for the Russian Gala Ball and its fundraising efforts for activities which create a sense of belonging for the Russian Canadian community.

On behalf of the Canadian Ethnocultural Council I congratulate RCCAS, its members and volunteers on this wonderful occasion and wish you a successful fundraiser.
